*No.* 978.—Under section 115 of the Madras Local Boards Act, 1884, the Governor in Council resolves to publish the following draft rules for the conduct of elections of members of union panchayats which it is proposed to issue in supersession of the existing rules. Any objections to or suggestions bearing on the same which may be received before the 1st December 1916 will be considered:—

*Draft rules for the Election of Members of Union Panchayats.*

1. Unions shall be divided into two classes:—

(i) Major unions, i.e., unions containing a population of 8,000 and more according to the latest census.

(ii) Minor unions, i.e., unions containing a population of less than 8,000.

*Major Unions.*

2. For electoral purposes, the major unions which may be selected by the Government from time to time shall be divided into wards. The limits of the wards and the number of members to be elected by each ward shall be determined by the Government. In the case of major unions which have not been so divided, members shall be elected for the whole town.

*Qualifications of Voters.*

3. The following persons are not qualified for registration as voters:—

(*a*) persons of unsound mind and deaf mutes;

(*b*) persons who have been convicted of any offence or subjected by a criminal court to any order implying a defect of character which in the opinion of the Revenue Divisional Officer unfits them to be voters;

(*c*) persons who are not of the male sex;

(*d*) persons who had not attained the age of 21 years in the financial year preceding the year in which the electoral roll was published; and

(*e*) persons who are not British subjects or subjects of any State in India.

4. No person shall be qualified to vote at an election under these rules unless he

(*a*) is registered in the union house-tax registers as the owner or occupier of a house,

(*b*) has resided in the union for 120 days in the aggregate in the preceding financial year,

(*c*) has paid all taxes due to the union before the expiry of such preceding financial year.

Where a joint family is possessed of the qualifications prescribed in this rule, one of its members will be allowed to vote on its behalf. If there is only one member qualified in respect of sex, age and residence, the right to vote shall be exercised by that member; if more than one member is so qualified, the right shall be exercised by the member, if any, authorized in writing by other qualified members resident in the union, on or before the 15th of May of the year in which the electoral roll is published.

5. No voter shall have more than one vote. A person who is qualified for registration in more than one ward shall intimate to the union chairman in writing before the 1st July in which ward he will exercise his vote. In the absence of such intimation, the union chairman will decide in which ward he shall vote.

*Qualifications of Candidates.*

(*a*) is not qualified for registration as a voter under rule 4;

(*b*) is a salaried Government official other than a village headman;

(*c*) is an uncertificated bankrupt or undischarged insolvent; or

(*d*) has been a public servant as defined in section 21 of the Indian Penal Code or a servant of a municipal council or local board and has been dismissed from such public, municipal or local service for misconduct.

|---|---|---|---|---|---|---|---|---|
| | | | | | | | | |

8. The electoral roll shall be prepared and revised from year to year in the following manner:—

(*a*) On or before the 15th of May, the chairman shall prepare from the entries in the union house-tax registers a roll of persons qualified to vote and shall publish notices in the union office and in a conspicuous place in each ward or, where the union is not divided into wards, in not less than three conspicuous places in the union, that the electoral roll will be open to inspection at the union office at all reasonable times up to the 31st May, and that objections to or applications regarding any entry in the roll or any omission from the roll should be submitted with documentary evidence in support thereof so as to reach the union office not later than the 31st May. No objections shall be admitted after that date.

(*b*) The chairman shall hear all objections and applications put in under clause (*a*) and shall submit the records and the revised electoral roll to the Revenue Divisional Officer with his remarks.

(*c*) The Revenue Divisional Officer shall proceed to the union office on a date not later than the 15th of June, having given at least seven days' previous notice by posting that date in the union office, shall pass orders on the applications and objections received and shall then revise the electoral roll. Failure to conform to the dates prescribed in this rule or to observe any other directions in regard to the preparation of the electoral roll shall not entitle any person to question the validity and conclusiveness of the roll in proceedings under rules 13 to 16 *infra*.

9. The electoral roll shall be printed and two copies signed by the Revenue Divisional Officer, one copy being retained in the Revenue Divisional office and the other copy in the union office. Copies shall be kept for sale to the public.

*Elections.*

10. Elections shall be held whenever vacancies occur in elective seats, provided that any vacancy which occurs at a time when no valid electoral roll is in existence may be filled by nomination by the President of the Taluk Board. No election shall be deferred for more than two months from the date of the occurrence of the vacancy without the special sanction of the President of the Taluk Board. No election shall be held on Sundays or other gazetted holidays.

NOTE.—A gazetted holiday means a day which has been notified as a general or partial holiday in the *Fort St. George Gazette* or in the gazette of the district.

(3) the date and hour at which the voters must assemble at the union office or other specified place to nominate candidates and give their votes.

12. The notice mentioned in rule 11 shall be affixed at the union office and in three conspicuous places in each ward for which an election is to be held (or when the union is not divided into wards in not less than three conspicuous places in the town) not less than thirty days before the election.

(2) The nominations of candidates shall first be received.

(a) Any person other than a person disqualified under rule 8 may be nominated as a candidate for election if his name is registered in the current electoral roll of voters.

(b) No nomination shall be valid unless it is made by at least two voters registered in the current electoral roll for the ward concerned and unless the candidate so nominated has declared his readiness to stand No voter shall nominate more than one candidate for the same ward.

(3) Objections taken to nominations shall then be heard. The right to object shall be confined to registered voters of the town or ward as the case may be. No objection shall be entertained on the ground that the candidate or the registered voters who nominated him did not possess the general qualifications for voting prescribed in these rules. The objections shall be disposed of summarily by the President of the Taluk Board or the presiding member, who shall also examine the validity of all nominations whether objection has or has not been taken to them. His decision on these points shall be in writing and read out there and then to the persons present. His decision shall be final.

(4) If the number of candidates who have been validly nominated does not exceed the number of vacancies, no poll shall be held, and the candidate or candidates validly nominated shall be deemed to have been duly elected.

(5) If the number of candidates who have been validly nominated exceeds the number of vacancies, the President of the Taluk Board or presiding member shall call upon the voters to signify their preference by show of hands or otherwise. He shall, on the application of a candidate, but not otherwise, take a formal poll If a poll is held, the President of the Taluk Board or presiding member shall make such arrangements as he deems necessary to ensure the recording of votes with absolute secrecy.

14. (1) If a poll is held, the President of the Taluk Board or presiding member shall count the votes.

(2) Every candidate may attend in person or may appoint an agent to attend the counting of the votes.

(3) The President of the Taluk Board or presiding member shall, as far as practicable, proceed continuously with the counting of votes and shall, during any necessary intervals, secure the voting papers and other documents relating to the election under his seal.

(4) The President of the Taluk Board or presiding member shall announce the result of the poll.

15. (1) The candidate or candidates who have received the greatest number of votes shall be deemed to have been elected for the vacancy or vacancies as the case may be.

(2) If there is an equality of votes between two or more candidates, the President of the Taluk Board or presiding member shall decide then and there by drawing lots which candidate or candidates shall be deemed to have been elected. If no valid vote has been given in favour of any candidate, the vacancy shall be filled by nomination by the President of the Taluk Board.

16. As soon as the result of the election is announced, it shall be open to any unsuccessful candidate to object then and there, orally or in writing. His objection shall be summarily inquired into at once by the President of the Taluk Board or presiding member, whose decision and the reasons therefor shall be recorded in writing and read out to the persons present. The decision of the President of the Taluk Board shall be final. Where the decision is that of a presiding member, an appeal shall lie to the President of the Taluk Board, which must be preferred within a week of the decision, and the orders of the President of the Taluk Board on appeal shall be final.

17. The name of the successful candidate shall be published in the district gazette, and the successful candidate shall enter upon the duties of his office from the date of such publication. If, subsequent to the date of election but prior to the date

of notification, an elected candidate dies or becomes subject to any disqualification which, if it had existed at the time of his election, would have rendered him ineligible under these rules, the President of the Taluk Board shall either order that the candidate who obtained the next highest number of votes be appointed or shall order that a fresh election be held. The President's order on this point shall be final.

18. A candidate who has been duly elected may resign his post by means of a written communication addressed to the President of the Taluk Board at any time before his appointment is gazetted under rule 17. In the event of such resignation, the President of the Taluk Board shall either declare that the candidate who has obtained the next highest number of votes is deemed to have been elected, or shall direct that a fresh election be held. A candidate who has submitted a resignation as specified in this rule may not withdraw his resignation.

*Minor Unions.*

19. In the case of minor unions, no electoral roll shall be prepared; whenever a vacancy occurs, the chairman shall report the fact to the President of the Taluk Board, who shall fix a convenient date for the election and publish a notice calling on the residents and tax-payers of the union to assemble at a particular time and place to be specified in the notice. The notice shall be published in the union office and in not less than three conspicuous places in the union, not less than fifteen days before the date fixed for the election. The President of the Taluk Board or a member of the Taluk Board to be deputed by him shall preside at the election. He shall first ascertain what persons are willing to stand as candidates and shall hear and summarily decide any objections which may be raised then and there in regard to any candidate. He shall then ascertain, by show of hands or otherwise, the person or persons whom the rate-payers and residents assembled before him desire to elect to the vacancy or vacancies in question. When a member of the Taluk Board presides over the election, he shall report the name of the candidate elected for the approval of the President of the Taluk Board.

20. The name of the candidate thus elected shall be published in the district gazette, and the candidate shall enter on the duties of his office with effect from the date of such publication;

Provided that, if the President of the Taluk Board considers that the person so elected is unfit to be a member of the union panchayat, he shall record his reasons in writing and shall reject the person elected. He shall then either appoint another person in his stead or shall require the villagers to elect another person arranging, if necessary, for a fresh election on a subsequent date for this purpose. The action of the President of the Taluk Board in this respect will be subject to revision by the President of the District Board, whose decision shall be final.

*General.*

21. Subject to the foregoing provisions and to the general control of the Governor in Council, the President of the District Board may prescribe instructions for the guidance of Revenue Divisional Officers, Presidents of Taluk Boards and chairmen of Union panchayats in regard to

(i) the method of notifying any matter in regard to which these rules require that public notice shall be given,

## THE MADRAS VETERINARY COLLEGE PROSPECTUS

As there appears reason to believe that intending candidates for employment in Government service are in many cases not aware of the existence of the Madras Veterinary College and of the prospects offered by a veterinary career, the following prospectus of the College is published for general information. The rules of the college and the scale of the provincial and the subordinate veterinary service are liable to be altered if need requires at any time.

1. The college affords theoretical and practical instruction in subjects appertaining to the veterinary profession with the object of training men for service under Government, Municipalities, local board or private employers. The staff of the college consists of a Principal, an Assistant Principal, three lecturers, two assistant lecturers and a subordinate establishment. The responsibility for the discipline and management of the college is vested in the Principal who is subject to the control of the Board of Revenue. Full clinical and other facilities are afforded to meet the education requirements of students preparing for the diploma in Veterinary Science. A veterinary hospital, museum, library, shoeing forge and students' hostel are attached to the college.

2. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 18 years of age at the commencement of the term for which admission to the college is desired. In ordinary circumstances, no person over 22 years of age will be admitted as a free student. Students are admitted to the college by selection which will be made by the Principal. Applications for admission should be made in writing in the prescribed form printed at the end, and they should be submitted so as to reach the Principal not later than the 5th December of each year and should be accompanied by the following certificates:—

(a) of age,

(b) of physical fitness and moral character,

(c) that the applicant has passed the Matriculation Examination of an Indian University under the old regulations or that he has obtained 45 per cent of marks in English and 35 per cent in other subjects in the School Final Examination, except in the case of Europeans and Eurasians who may be admitted, though unpassed, at the discretion of the Principal.

3. In the event of a candidate being selected, he will be served with a special notice informing him of the particular day and hour when and the place at which he should present himself for personal selection. Candidates when admitted will be considered to be on probation for the first two months of the course and may be removed if found to be not satisfactory.

4 *Course and study and curriculum of instruction.*—The course of study for the diploma ordinarily extends over three years. The students of each year's course form a separate class. The number of students in each class is ordinarily limited to 30. Government have temporarily raised this number to 40 for five years commencing from 1916. Promotion from one class to another is made with reference to the results of the annual examinations. A student who fails in the class examination for two consecutive years shall be removed from the college.

The curriculum of instruction is as follows:—

(1) *First year*—
(1) Anatomy (up to Arthrology).
(2) Elementary Chemistry.
(3) Elementary Botany.
(4) Materia Medica.
(5) Handling of animals.
(6) Pharmacy (Theoretical and Practical).

During this year students are given practical instruction in nursing, dressing, handling, casting and securing animals as well as in the names of the instruments and appliances used in ordinary practice.

(ii) *Second year*—
(1) Anatomy (the whole, including Comparative Anatomy).
(2) Physiology.
(3) Hygiene (including Breeding and Rearing).
(4) Principles of Horse-shoeing.
(5) Theoretical Veterinary Medicine and Surgery.
(6) General nursing and instructions in the use of instruments and appliances.

During this year students are required to attend hospital practice and receive clinical instruction. They are also required to attend at the Forge and Pharmacy, to carry out dissections and to perform operations on the dead subject.

(iii) *Third year*—
(1) Equine Medicine and Surgery.
(2) Bovine and Ovine Medicine and Surgery (including Obstetrics).
(3) Diseases of dogs.
(4) Operative Surgery.
(5) Therapeutics (including Toxicology).
(6) Meat and milk inspections.
(7) Soundness of horses and ageing of domesticated animals.

During this year students are required to perform the duties of clinical clerks and dressers, to perform operations on dead subjects, and afterwards on living animals, to conduct *post mortem* examinations and generally to carry out practically all the duties appertaining to their profession. Students who hold the diploma in Agriculture are not required to attend the first year's course of study, but are examined in the subjects of both the first and second-year courses at the end of their first year of attendance at the Veterinary College.

Students who have passed in Chemistry or Botany in the Intermediate or B.A. Examination need not attend the course in Elementary Chemistry or Botany, as the case may be at the Veterinary College.

All students are required to undergo a course of equitation and gymnastics. A student absenting himself without leave from a lecture or from a practical, gymnastic or riding class is liable to be fined.

5. The tuition shall be free to all students who execute an agreement binding themselves to serve Government for five years, if required, after completing their course in the college satisfactorily. All others will be required to pay tuition fees in advance of each term at the rate of Rs. 240 per annum. A fee of Re. 2 per term is also payable by each student, whether free or paying, to meet the cost of sports.

6. Government ordinarily allot thirty scholarships in each class annually, two of the monthly value of Rs. 20 each, which will be reserved for graduates of a University preferably those who have taken a Science degree, and the remaining twenty eight of the monthly value of Rs. 10 each, but they reserve the right to decrease the number or alter their value, if necessary. The number of scholarships on Rs. 10 per mensem has been temporarily raised from 28 to 33 for 5 years commencing from 1916. Scholarships in the first year will be awarded by the Principal on the results of the first three monthly examinations. Scholarships tenable in the second and third years are ordinarily allotted on the results of the monthly and annual examinations. A student already in the enjoyment of a scholarship from a local body or a private person is not eligible for a Government scholarship. All scholarships are conditional on the good behaviour of the holders. Students who are in the enjoyment of the Government scholarships are required to refund the amount which they have received as stipends and also to pay tuition fees at the rate of Rs. 240 per annum, if they leave the college without sanction or are expelled for misconduct.

7. *Terms and days of visits.*—Each year comprises two terms—a spring session from January to March and an autumn session from July to December. Tables of the times and subjects of lectures to which both teachers and students should adhere will be posted on the notice board at the commencement of each term.

8. *Vacations and holidays.*—(i) In addition to the miscellaneous public holidays, the students are allowed the following vacations and holidays :—
Midsummer vacation (three months),
Michaelmas holidays (one week),
Christmas and Easter holidays (gazetted).
Students are required to attend hospital cases in turn during vacations.

(ii) *Leaves* of absence is granted by the Principal only. Scholarship-holders may, at the discretion of the Principal, be granted casual leave, with allowances, for not more than five days at a time or ten days in the year, but no casual leave will be granted in continuation of other holidays with allowances. Any further leave to scholarship-holders except sick leave for a month will be subject to stoppage of scholarship. Leave of absence in each case of illness will be recognised only on the production of a certificate from a duly qualified medical practitioner.

9. *Examinations.*—Examinations are conducted orally and are held annually in December in all the classes. For admission to the examination candidates must have studied at the college for such time as may be prescribed and have attended at least three-fourths of the year's lectures and have done practical work in their respective classes.

10. *Diplomas and certificates.*—A diploma as graduate in Veterinary Science is awarded to students who have gone through the full course of three years' study at the college and have passed the final examination.

Such of the students as are elected clinical clerks and prosectors and perform their duties satisfactorily are, in addition, awarded special certificates on passing the final examination.

11. *Miscellaneous.*—The hostel attached to the college provides accommodation for 45 students. Students are at liberty to make their own arrangements as to their board and lodging. A monthly rent of Rs. 2 for a single room in the new extensions and Rs. 1 for a single room and As. 12 for a double room, (i.e., a room accommodating two students) in the old block will be charged to each student who elects to take up his lodging in the college hostel.
